INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

and know but very little of my Cherokee ancestry

at about 12 years of age I was separated from
my family relation. am unable to speak the
Cherokee language. But my oldest Brother John
recently deceased. who was between 60 & 70
years old. He was with Mother all her life.
and when John died he had the following
names in his possession.

Wolf. Ootigi. Lyda. Sarah. (In Flint list.)

Three-Killer. Aggie. Che-cho-na lah.

Tah-chu-na-lah. chu la naw-he. (In Flint list.)

Brother claimed these names was my Mother's
people. unable to say what relationship. But
all the information I can get tend to show
my Mother's maiden name was either
W. W. or B. B. I am the only living
child of my Mother. But I have a half
brother and sister by a different Mother.
I have been told my name was Lyman.
and not Lyman. But my mother's maiden was
in C. M. G. H. as a soldier during the Civil war.
and lost his life. and my father collected his book
pay in 1864 under the name of Patrick Lyman.
although my Mother's name may be in the Roll as Lyman.

For the past two years I have been very diligent
in trying to trace my ancestry. But I can not get
any definite information. So I send you
the best I can get. (See other side of sheet)

Dear Sir:-

Some months ago, I made application for my three children, Paul A. ¹²¹⁹Callie and Charles H. Harris for shares of money appropriated for the Eastern Cherokee Indians by Congress and in ¹²¹⁹that application omitted to claim a part of the share of ^{from} Willie Duncan nee Martin, whose name appears on the 1851 roll, and who was a great great aunt of my said children. She died without issue.

Will this letter be a sufficient application for a part of her share or should I make a sworn statement for it?

Respectfully,
Yours truly,

App. #1229.

June 24, 1907.

William L. Cowart,
Stilwell,
Indian Territory.

Sir:-

Your letter of June 19, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

Peter Adair, being duly sworn, deposes and says:

My name is Peter Adair. My age is 56 years. I was born and raised in Flint District. I have not lived in any other District. I got the broad and strip payments. I was enrolled by the Dawes Commission Cherokee Roll #1735. I think some of my people were Old Settlers. I did not understand the question at first and do not think any of them were old settlers. My father's name was Ju-nu-lu-skey, or Ju-nu-lu-hus-key. My father never had any English name. I don't know how I got the name of Adair. I have no brothers and sisters older than myself but a half-sister younger. My father had a brother named Squirrel and So-lo-le Go-goo-coo-hoo. Squirrel lived at Long Prairie in Going Snake District. I do not know whether he ever lived in any other District. His wife's name was Saw-kinaney or Sally. He was sometimes called Red Squirrel or Squirrel Red Sa-lo-le Ge-goo-cah. He lived in Going Snake. He came to this District. I never heard of Quah-lah-yoo-gah nor Ailsey. (147 C. S.) Squirrel once lived in Flint District and came in here before drawing that money. Squirrel had a son by the name of Young Beaver but he would not be 60 years old. He had a brother by the name Go-na-gah and Go-goo-coo-hoo (my father's brothers.) My mother's name was Ah-naw-hih. Squirrel had a daughter by the name of Susannah but she was not 60 years old. To-you-ne-tah was Squirrel's son but would not be 60 years. My father's ~~father's~~ name was Ju-nu-lus-key, and his brother Squirrel. (203 Fl.) (Chu-noo-lees-kie.) Go-goo-coo-hoo or Owl came out of Going Snake into Flint; do not know whether he ever lived in any other District but he travelled around a great deal. (795 Del.) My father's father's name was Wee-lih or William Wasp. He died back in the old country. He would be very old if living now. Don't know how long he has been dead. He never came West. My father was about 67 when he died and would be in the 80's if living. (Wee-lih C. S. 814.) I don't know any brothers and sisters of Wee-lih. My mother's name was Ah-nah-hih or Ah-no-he. She is dead; died shortly after the Emigrant payment. She was enrolled and drew money in 1861. She had a sister named Jin-ney. A brother named Her-lee or Coon. He lived in Flint District. A brother Yah-sah; Buffalo in English. Ah-nah-yah lived in Flint District. Don't know if she was known by any other name. I had a sister by the name of Rachel daughter of Ah-na-ho who was older than I am. (204 Flint.) Do not know Mat-ty. My mother's father was Kee-nah or Kee-ner, Che-nah. He lived in Flint District. My mother's mother's name was Tacey. She lived in Flint. It may be - Ta-kee or Ta-ke. I do not know whether she ever lived in ~~Flint District~~ any other District. He had a sister by the name of Betsey or Matsey. I do not know in what District she lived. (249 C. S.) (Ta-ke or Matsey.) Joshua and Jacob Hummingbird are my wife's connections.

Dear Sir:

Your letter addressed to George Russell, Fort Leavenworth, Kansas, in care of the United States Penitentiary, whose application No. is 1252, has been referred to me by Mr. Russell. Mr. Russell is a claimant and a participant in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, and you have notified him that on Wednesday, October 28th, your agent, Frank D. Ryan, would be at Leavenworth, Kansas, for the purpose of taking testimony relative to this claim.

Permit me to say, that George Russell is now at Sallisaw, and it will be quite expensive for him to appear before your agent at Leavenworth, Kansas, and I ask you to kindly arrange that he may go before your agent at Muskogee, or other points near Sallisaw, I await your reply,

My name is John W. Hildebrand. My age is 90 years, the 23 of last February. I was born in Polk Co., Tenn., what was then the Cherokee territory. I was a councilman in North Carolina, in 1875-6 with the Cherokees. I went to Washington in 1876, I think, as a representative of the Cherokees. I ~~may~~ visited my father among the Cherokee Indians west of the Mississippi River in 1839. I stayed about four months, then I went back again, and Eliza Jane Hildebrand, my daughter, was born in 1843 (1254). I was enrolled in 1851. I had five children, Mary, Amelia Egletine, Eliza Jane, Ann, Emily, enrolled with me, and have some other children that were not enrolled. I came back from the territory in 1844 and have lived here ever since.

Madam:-

Replying to your letters of recent date, you are advised that your application for participation in the Eastern Cherokee fund has been received and filed, and will be taken up for examination in its regular order.

If, as appears from your own application, the father of your children is living, they will not be entitled to share in this fund, as only those whose names appear upon the rolls of 1851 as Eastern Cherokees, or their legal representatives, are eligible.

Very respectfully,

Rachel Webster is the first full owner, 1893 and says:

That I am 68 years of age and live in Cherokee Co., N.C. I claim my Indian descent through my mother; my father was a white man. My mother's father claimed Indian and his name was Alex Mc Daniel. It might have been Mc Donald. My mother was born in Habersham Co., Ga. She was about 80 when she died and that was in 1889. My mother had two sisters - Katy who married a Raper and Sakey who married a Raper. My mother and her father were on the Mulay roll. Don't know whether they were on any other rolls or not. Katy was older than my mother, about two or three years older. Katy married Thomas Raper. Alexander Raper was a cousin of mine. He had children as follows: Jim, Tom, Jess. I had another cousin Alex Raper who had two children, Minerva and Jackson. This Alex Raper was a son of Thomas Raper, my father's brother. My father's people were full blooded white people. Don't know whether my father or his mother were on any roll. I think my father and his brothers drew money. My father went west about 25 years ago and died there. He didn't go west until that time. ~~My grandfather~~ In 1851 my father was living on Knotley River in Cherokee Co., N.C. My father's brothers were Jak, Isaac, Thomas, Martin, Charles, Lewis, Gabriel, Martha, Katy, Powell, Alonzo, Nancy and Eliza were my brothers and sisters. I am the youngest child. When I was a little girl, since I can't collect all of my brothers and sisters and my parents drew money, except my youngest brother and I and they didn't have drawn for us. My husband is white.

My name is Ada Henderson. I am 39 years old. I live in Coo-wee-scoo-wee District. I have lived here ever since I was a child. I was enrolled by the Dawes Commission, Roll #12319. I have been enrolled several times before and got strip money. I got my Indian blood from my mother, Sarah Springston, before marriage; Arledge after marriage. She is not living. She died in 1894. She lived here in this same District. I do not know whether she ever lived in any other District. She got the strip money. She was probably not enrolled in 1851, as I think she was born in 1852. I do not know whether any of my people ^{they} were regarded as Old Settlers, and never got any money that I know of. We are regarded as ~~Old Settlers~~ Emigrants. My mother got her blood on both sides. I do not remember all my grandparents names, except Andrew Springston. I was always told that we were Emigrants. (Her mother was born Dec. 20, 1852, and was the daughter of Anderson and Sallie Springston, nee Elliott. Her mother Sarah Arledge, nee Springston, was the sister of John L., Johnson F., Mammie, Susie, Ruth and Joemie Springston, the latter three being younger than her mother. According to Mr. Starr's records.) I cannot say whether any of these were enrolled but I should think the older ones were. I think these people are enrolled. I am a sister to John A. Arledge.
